Police Investigate Homicide in Redwood Village

On July 22, 2023, at approximately 4:30 p.m., the San Diego Police Communications Center received a report of gunshots in the area of 54th Street and Chollas Parkway in the Redwood Village neighborhood of San Diego. Officers responded to the area and were directed to a male lying in a nearby ravine. The male was suffering from at least one gunshot wound. Paramedics from San Diego Fire-Rescue arrived and transported the male to a local hospital. Unfortunately, the male did not survive his injuries.

During the preliminary investigation, officers learned that the victim was involved in an argument with two Hispanic males. At some point during this argument, one of the males produced a firearm and shot the victim. The Hispanic males possibly fled the scene eastbound in a light-colored vehicle.

San Diego Police Homicide Detectives responded to investigate. It is still very early in the investigation and detectives continue to search for evidence and additional witnesses. There is no further suspect description to release at this time.

The deceased male has been identified. His name is not being released at this time pending family notifications. He is described as a 29-year-old Black male.

Anyone with information regarding this incident is encouraged to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
